School enrollment of your child

Dear parents and guardians,

The new school year 2019/2020 is a milestone for your child as it marks the beginning of compulsory education. Your child enters an important stage in his or her life, which lays the foundation for future development. We are looking forward to good cooperation between teachers, parents and school leadership during your child's elementary education.

Regularly, your child starts compulsory education in the school year 2019/2020 if born within the time frame between October 1st, 2012 and September 30th, 2013. Upon application, your child may start school if born between October 1st, 2013 and December 31st, 2013.

To provide a first insight into our school, we would like to invite you to an informational event on

Monday, March 18th, 2019 at 6 p.m.

***This event takes place in the 1st grade classroom
